

### **CLPO, Inc. Board Meeting-4/17/21**

**Meeting Called to Order:** 10:12 AM by President Denise DeJuliannie

**Board Members Present:** Ron Graham, Denise DeJuliannie, Rob Swanson, Bruce Hall, Joe Kuechle, Jim Wirz, Amy Ertl

**Updates/discussion:**

- Denise emailed contract to Lonnie Bach. No response yet.
- Denise talked to Clarke Aquatic Services regarding chemical weed treatments around dock/shorelines
- 31 paid members now
- Reviewed the spring annual membership meeting agenda
- Discussed bog removal
- Discussion about tools (CLPO board members will keep the sharpener tool and do the sharpening)

**Meeting Adjourned at** 10:50 AM by President Denise DeJuliannie

### **CLPO, Inc. Spring Annual Membership Meeting-4/17/21** **(Informational only)**

**Meeting called to order:** 11:05 AM by President Denise DeJuliannie

**Board Members Present:** Ron Graham, Denise DeJuliannie, Rob Swanson, Bruce Hall, Joe Kuechle, Jim Wirz, Amy Ertl

**Various CLPO property owners present as well.**

**Updates/discussion:**

- Discovery made that not all property owners received notification of meeting today. Will reschedule much of the agenda/meeting so that members can receive proper notification of meeting.
- Denise discussed Guy's Landing—and signs were there for property owners to view. We had a moment of silence in respect of Guy Bobendrier
- Dr. Matthew Julius spoke about the SCSU student “adopting” the Clear Lake AIS harvester project. SCSU students and staff will be taking the harvested AIS material. They will be taking measurements and presenting to CLPO Board (presentation will be on CLPO website)
- Denise will be putting together a CLPO apparel order (Hometown Screening)
- Parade of Boats will be 7/3/21 at 1 PM, start at county park, no water balloons please
- Fall membership meeting will be August 21 at noon at the Sportsmen's Park

- Presentation of Project \$99...My Weeds, Our Weeds—will discuss further at rescheduled spring membership meeting
- Denise discussed Clarke Aquatic Services-which can do one or two time chemical treatment of dock/shoreline area. Contact person is Stephanie.
- Discussion about bog permit—We have a lakewide bog permit. If a bog floats in to your dock/shoreline area, please don't push it back out. Small ones can be removed by property owners (if they are able). In the case of a large bog that an individual cannot remove—please contact a board member and we will work on trying to find someone who can remove it.

**Meeting Adjourned at:** 11:45 AM by President Denise DeJuliannie
